

Dear Parents/Carers,

Wednesday 4th May 2016

Thank you to everyone who came along to our balloon release. We raised a staggering £688.00 which exceeded our expectations. Some of the money will be used to update our range of reading materials and we will decide later in the year what the remaining money will be spent on.

Maypole Dancing

On Friday the Maypole dancers will perform for you immediately after celebration assembly.

Maypole Weekend

We very much look forward to our special Maypole weekend. Please remember Maypole dancers must be at school by 12:45pm on Saturday and again on Sunday at 5:30pm. After the Maypole parade on Saturday children come back into school for tea and then we walk up to the Maypole Green where the dancing will start at 5:30pm. We hope friends and family will come along to support the events.

On Monday night the Maypole dancers have been invited to perform at the OAP tea party between 5pm and 6pm.

Nursery Float

We invite parents and children that are joining us on the Nursery float to dress up as jungle animals. Please be in the school playground for 12:45pm and bring some warm clothing as it can get quite breezy on the float! We would be very grateful if any parents or grandparents can help to assemble and decorate the float on Saturday morning, especially anyone with power tools/drills etc. For safety reasons it is only adults that can decorate the float and you would need to be in the playground from 9:45am onwards. We would also be very grateful for any help to dismantle the float after the parade.

Shoes

We have had a number of girls who have come into school in shoes which are not suitable for school because they have heels. For health and safety reasons please make sure your children come to school in flat shoes. Thank you for your co-operation with this.

Sainsbury's Active Kids Vouchers

The closing date for these vouchers was yesterday so if you have any vouchers to bring in please drop them into the office asap.

Yours sincerely,

Mrs S J Vickerman
Executive Principal
