

Dear Parents/Carers,

Thursday 14th July 2016

### SATs Results

We are delighted to tell you that our SATs results for this year are very high in relation to results from across the rest of the country.

Although this years end of Year 6 tests have been acknowledged as being more difficult than in previous years, 97% passed the high school ready test in writing and maths and 84% passed in reading.

The end of Year 2 assessments were also high, as were the tests for phonics at the end of Year 1 and assessments at the end of Reception.

Congratulations to all the children and the staff. A big thank you to all parents who have supported children to achieve these high results.

### Fun Day

Tomorrow we will have a special end of year fun day for all children. Staff will run a range of activities including a bouncy castle and an ice cream for every child.

It will also be non-uniform day and there will be lots of outdoor activities so children should wear something sensible and no football shirts please.

We will be having a picnic lunch so please remember to provide your child with a packed lunch.

### Summer Fair

Thank you to everyone who came along to our Summer Fair. Everyone had a great time and we raised over £560 to go towards school funds.
