

Dear Parents/Carers,

Thursday 11th May 2017

Farm Visit

Tomorrow we will have a visit from Ian's Mobile Farm. Can you please make sure your child comes to Nursery in their uniform but with suitable clothing for the weather outdoors such as a coat, sun hat, sun cream etc. The farm will be on the school field and the animals include rabbits, chickens, goats, sheep, donkeys, pigs and alpacas.

Kitchen Equipment

We would really appreciate donations of any old pots, pans, utensils, wooden spoons, etc to help us develop our outdoor mud kitchen.

Class Photo Day

On Friday 19th May it is class photo day.

Online Payments

Just a reminder that the preferred method of payment to the academy is online. There is no minimum payment amount, so you can pay for most things online now. If you are not registered to pay online then please do so by clicking on the red online payment tab at the left hand side of the home screen on our school website at <http://gawthorpeacademy.co.uk/>. You can then register as a new user and contact the office for a link code to link your child to your account. The system is very easy to use however if you have any issues, please contact the office.

Regards,

The Leadership Team

Mrs S J Vickerman

Executive Principal

Mrs P M Gill

Executive Vice Principal
